American Numismatic Society
Bdwy & 156th Sts.
New York.

Gentlemen— This is to inquire the subscription rate for the Journal of your society.

The issue containing the names and addresses of your membership is especially desired.

Probably you could furnish the list for a reasonable sum. I shall attempt to sell a Confederate Silver Half Dollar which I consider very valuable as a relic.

Kindly let me hear from you by early mail

Very truly
Jas. Garrison Canton Ga
